

ACADEMIC SUCCESS COURSES

All of us are strong in some areas while others challenge us. Complete the self-checklist below to learn about what opportunities are available to build skills and assist you on your road to success!

Math Opportunities

- | | | |
|--|----------|---------|
| 1. Completed Algebra 1 with a "C" or better while in high school | YES_____ | NO_____ |
| 2. I am comfortable working with numbers | YES_____ | NO_____ |
| 3. Taking a math class interests and excites me | YES_____ | NO_____ |
| 4. I attended a math class less than 10 years ago | YES_____ | NO_____ |

If you answered "No" to 3 or more of those questions, you should register for:

- Pre-Algebra** (Course Number: 834-109): An introduction to algebra: includes operations on real numbers, solving linear equations, percent and proportion, and an introduction to polynomials and statistics.

If you answered "No" to 2 of the questions listed above, you should register for:

- Elementary Algebra with Applications** (Course Number: 804-110): Develop algebraic problem-solving techniques for more advanced algebraic studies: includes linear equations, exponents, polynomials, rational expressions, and roots and radicals, woven with applications to real world situations.

Language Arts and Study Skills Opportunities

- | | | |
|---|----------|---------|
| 1. I have a hard time recalling what I read and often need to reread material | YES_____ | NO_____ |
| 2. I feel I am a slow reader | YES_____ | NO_____ |
| 3. I study and study, but I still have a hard time remembering information | YES_____ | NO_____ |
| 4. Writing a paper terrifies me | YES_____ | NO_____ |

If you answered "Yes" to 3 or more of those questions, you should register for:

- Introduction to Reading and Study Skills** (Course Number: 808-114): Develop study skills and reading skills: including comprehension, fluency, and vocabulary skills. Apply reading skills to academic tasks and read to acquire information from a variety of sources.

If you answered "Yes" to 2 of the questions listed above, you should register for:

- Integrated Reading & Writing** (Course Number: 808-114): Develop reading and writing skills to be successful college students by analyzing written texts and developing descriptive, narrative, expository, and persuasive writing skills.

First Semester

- | | | |
|--|----------|---------|
| 1. I am a new college student | YES_____ | NO_____ |
| 2. I am the first in my family to attend college | YES_____ | NO_____ |
| 3. I have been away from high school or college more than 10 years | YES_____ | NO_____ |

If you answered "Yes" to any of these questions, this is the class for you!

- First Semester Experience** (Course Number: 890-130): This course is designed to transition students to CVTC: Enhance student development and learning through the examination of career, personal, and academic issues that influence their college experience.
